

TERMS AND CONDITIONS AT WEST LONDON GYMNASTICS (WLG)

West London Gymnastics follows British Gymnastics policies and guidelines. All our coaches are DBS checked.

Safeguarding and Protecting Children:

- West London Gymnastics adopts British Gymnastics' [Safeguarding and Compliance Policies](#). Further information for parents can be found [here](#).
- Should you wish to raise or report a welfare concern; please contact the Club Welfare Officer: welfare@westlondongymnastics.uk
- Or Regional welfare officer: welfare@london-gymnastics.com

Registration:

- Registration must be completed before the first lesson. This can be done via our website [here](#).

Membership:

- As a condition of the club's affiliation to its Governing Body all club members are required to join British Gymnastics.
- British Gymnastics and Club Membership is compulsory and non-refundable for all participants.
- This Club membership fee is set annually and runs from 1st October to 30th September. The price is the same, regardless of what point of the year you join.
- British Gymnastics membership is payable when you first join, then renewed yearly from that date.

Payments, Classes and Attendance:

The monthly fee for all classes is calculated on the number of sessions a gymnast will receive throughout the academic year, pro-rated across 11 months.

Class fees will be collected by direct debit, bank transfer or cash on the 20th of each month for the next month (e.g. 20th of September for October fees) from September to July.

Fees are due in full 7 days from the invoice date (normally 27th of each month), **failure to pay by the due date will result in a £10.00 LATE PAYMENT CHARGE.**

After the 1st of every month, if the fee is still unpaid, your child will lose their space in the class.

- Payment for classes is due in advance.
- Fees must be paid in full every month to enable your child to keep their place in the class.
- Please be aware that places not paid for by the fees due date, may be offered to participants on the waiting list.
- WLG will not refund or credit any fees if you miss a class. Pay as you go payment is not acceptable (please bear in mind that the regulation of WLG's cash flow is essential for continued booking of professional staff and training facilities).
- If a gymnast joins the club after the start of the month, proportional payment for the remainder of the month will be applied. (This rule does not apply to gymnasts who have already participated in WLG's lessons/Late registration will be regarded as missed classes and therefore you will be charged with the full month's fee if your place is still available).
- In the event of severe illness or injury, where your child will be absent for a number of weeks, the club will need to be informed immediately to keep your child's space available. A signed doctors note will need to be produced upon returning to be accepted back into the class.
- Make-up classes are not available due to coach/gymnast ratios. In the event of a class cancellation, a make-up class will be offered at the club's discretion.

Re-registration:

- As stated, before the end of the month you will receive a new payment request for the next month.
- Failure to pay for the payment request within the prescribed timeframe will result in the space being offered to the next person on the waiting list. After this, WLG cannot guarantee the child a space in any class, and the child may need to back onto the club's waiting list.

Refunds

When we can make a refund:

- WLG will always make a refund when we have made an error in calculating any amount due. We will also make a refund where you have made an overpayment error, to the extent of the overpayment.
- In the event that a class needs to be cancelled due to unforeseen circumstances, WLG will try to provide a replacement class. In the situation where no alternative can be found a financial refund is available.

When we cannot make a refund:

- Refunds unfortunately cannot be given for any sessions missed due to holiday, illness, injury or retrospectively for sessions missed before notice of the decision to leave is notified. You will understand that in such cases we are obliged to pay out the staff and establishment costs of that session and there is no opportunity to offer the missed sessions to another child.
- Refunds are not available if a student chooses to stop attending classes once the payment month has commenced.
- WLG is unable to make a refund where a payment has been made to a third party and that party does not or will not make a refund to the Club. The refund policy of the third party will determine eligibility for a refund. For example, British Gymnastics do not refund competition entry fees unless you can provide a Doctor's note exempting from competing.
- Any entry fees paid for events such as shows or competitions cannot be refunded. We advise that you are sure you can attend before committing to an event.
- Where classes are cancelled due to adverse weather conditions, we will offer gymnasts a suitable make-up session. We will not refund these sessions.
- In the event that classes need to be cancelled due to natural hazards (geophysical events that pose threats to human life or health), we will not be able to offer any refunds. We will endeavour to resume classes as soon as practicable under the circumstances.

Parents/Guardians Obligations:

- The Parents warrant that the information provided on the Registration Form is accurate and up to date. It is the Parents/Guardians' responsibility to ensure that they update WLG in writing of any change in your address, phone number, email address or any change in your child's medical condition or behaviour.

- Parents/Guardians agree to accept the sole responsibility for their child immediately before and after the end of the class.
- It is the Parent/Guardian responsibility to ensure their child's safety while in the changing rooms, toilet, reception and waiting areas as well as the safe entry of their child to the sports hall and vice versa.
- We cannot accompany children to the toilet, but will allow them to go if needed. If you are not happy for your child to visit the toilet alone a parent/guardian **MUST** stay in the waiting area in case they need to go.
- Parents/Guardians are responsible for bringing their child on time for the class. Warm up is essential part of the training and the child's potential absence from the first part of the lesson could result in injuries.
